Purpose of the register

The purpose of the file is to maintain Bossuyt's customer register. The file contains information on business activities between Bossuyt and its customers, and on related communication. In addition, the register can contain information combined from other available registers. In regard to online purchases, the register may include data provided by the customers themselves. All personal data is processed to the extent permitted and provided by the Personal Data Act. The data can be combined statistically, and utilised in operations development. The file data can be used for sending Bossuyt's marketing material, such as customer magazines, newsletters, invitations, and product catalogues. Customer may prohibit the use of their data for the purposes mentioned above.

Content of the register

The Personal data register contains the following information:

- Company or public body whom the person represents
- Person's first name, last name and position/title
- E-mail
- Mailing address
- Telephone
- Information on request for quote and/or order

Other information provided by the customer that is relevant to maintaining the customer relationship

Cookies

Bossuyt E-services uses cookies to improve performance and enhance the user experience. The cookies can be disabled by following the instructions for changing browser settings. Disabling the cookies may prevent some features of the website from working correctly.

Register security, location and supply of data

The register is located on Bossuyt' secure server, and can only be accessed by those with user rights to Bossuyt' intranet. The file shall not be disclosed to third parties. Register description as per the Personal Data Act is available at Bossuyt Kitchen Noordlaan 19, B-8520 Kuurne, Belgium. The customer may request access to their information and have it amended appropriately.
